

## **Introduction**

Please refer to the following:

- **Explanation** of the various zone districts
- **Table of Permissible Uses**, organized by
  - **categories of uses.** For example, 1.00 Agricultural and related uses, 2.00 Commercial storage and processing, etc., and by
  - **zone district.** Look at the column headings for the zone district.

*Disclaimer: Every effort is being made to keep the Table current but it is subject to change. If more specific information is required or if an official determination of permitted uses is needed, please contact the Planning Division at (915) 541-4024.*

## **ZONING CATEGORIES**

### **RESIDENTIAL DISTRICTS**

#### **Light Density Residential Districts**

“R-1, R-2, R-2A, R-3 and R-3A”	Residential Districts
“R-4, R-5”	Residential Districts
“RMH”	Residential Mobile Home District

*Low density of dwelling units supporting a suburban-urban interface that permits developments utilizing varying lot configurations, permit primarily single-family and two-family residential areas, and recreational and institutional uses incidental to and serving the neighborhood.*

#### **Medium Density Residential Districts**

“A-1”	Apartment District
“A-2”	Apartment District
“A-3”	Apartment District
“A-O”	Apartment/Office District

*Medium densities of dwelling units supported by higher intensity land uses located at the periphery of single-family neighborhoods providing that the overall character and architectural integrity of the neighborhood is preserved. Permit building types designed for transition from areas of low density residential neighborhoods to other residential areas, and certain non-residential uses and support facilities.*

#### **High Density Residential Districts**

“A-4”	Planned Apartment District
“A-3/O”	Apartment/Office High Density District
“A-M”	Apartment/Mobile Home Park District

*A diversity of residential dwelling types at the highest densities and to provide for the integration of compatible business and professional office uses to complement the areas and to allow for concentrations of population through the use of multi-story facilities. Permit site diversification for high-density residential development in which adequate public facilities are available for present and future needs.*

### **COMMERCIAL DISTRICTS**

#### **Neighborhood Commercial Districts**

“C-OP”	Office Park District
“C-1”	Commercial District

*Provide compatible neighborhood convenience goods and services that serve day-to-day needs. Permit locations for business and professional offices and retail category uses within adjacent residential areas of medium and high densities.*

#### **Community Commercial Districts**

“C-2” Commercial District

“C-3” Commercial District

*Establishments providing goods or rendering services which are used in support of the community’s trade and service establishments and serving multi-neighborhoods. Permit intensities designed to be compatible with each other and to provide for a wide range of types of commercial activity, including light automobile related uses.*

### **Regional Commercial Districts**

“C-4” Commercial District

“C-5” Central Business District

*Commercial uses intended to serve the entire City to permit heavy commercial uses characterized by automotive and light warehousing. Provide a transition from general business areas to industrial and manufacturing uses, and to accommodate major locations of commerce, service and employment activities. Within the Central Business District, more intensive commercial uses are allowed, the predominant of which are retail trade and service uses, providing less restrictive height and area regulations.*

## **INDUSTRIAL AND MANUFACTURING DISTRICTS**

### **Light Industrial Districts**

“M-1” Light Manufacturing District

*Light-intensity industries involving manufacturing, assembling, distribution and warehousing while supporting commercial uses and to preserve a light industrial nature particularly with regard to noise, smoke, odors, dust, vibrations and other noxious conditions.*

### **Heavy Industrial Districts**

“Q” Quarry District

“M-2” Heavy Manufacturing District

“M-3” Unrestricted Manufacturing District

*Industrial uses which may be characteristic of nuisance or hazardous conditions, regulations will require reasonable standards for the protection and preservation of the compatibility of such uses and adjacent areas.*

## **SPECIAL PURPOSE DISTRICTS**

“R-F” Ranch & Farm District

*Primarily fallow or agricultural areas within the City, protect and conserve these areas within and adjacent to urban development and intended to afford areas where semi-rural (very-low density) residential and agricultural uses can be maintained without impairment from higher density residential, commercial or industrial development. Designed to protect, stabilize and enhance the development of agricultural resources and to prohibit those activities that would adversely affect the urban-rural characteristics of this district.*

“PMD” Planned Mountain Development District

*Significant natural features of the mountain development and hillside area within the City. Provide design alternatives which help to minimize disturbances to the natural character of the area and which enhance the open space and aesthetic qualities of the land and to protect, stabilize and enhance the development of these environmentally sensitive lands and to preserve them from the encroachment of more intensive forms of development.*

“S-D” Special Development District

*Mixed-use projects, integrated in design, in certain older residential areas where there is a desire to permit a variety of nonresidential uses while maintaining the established residential appearance and landscaping of the area. Designed to ensure compatibility with existing uses in the district; to permit the production, exhibit or sale of goods and the providing of services to the public in such older residential areas; to protect the traffic capacity of streets serving such older residential areas; to encourage flexibility by prescribing general performance standards for such older residential areas; and to protect the environment of adjacent areas. Older areas of the city shall be deemed those areas where development has existed for at least twenty-five years.*

“U-P”

#### Union Plaza District

*Mixed-use environment with the provision of standards and guidelines designed to encourage the preservation of existing building architecture; ensure that reconstruction of existing buildings or new construction projects is consistent with the architectural and design guidelines adopted for the Union Plaza District; and encourage a variety of commercial and residential uses that coexist in a mixed-use area.*

“P-R I”

#### Planned Residential District I

*Planned developments that create a superior living environment through unified planning and building operations at lower residential densities; encourage a variety in housing needed to meet changing housing demands; provide adequate community facilities well-located with respect to needs; protect the natural beauty of the landscape; encourage preservation and more efficient use of open space; offer an opportunity for design flexibility; and encourage innovations which may result in improved relationships between uses of different types and between land uses and transportation facilities.*

“P-R II”

#### Planned Residential District II

*Planned developments that create a superior living environment through unified planning and building operations at higher residential densities; encourage variety in housing needed to meet changing housing demands; provide adequate community facilities well-located with respect to needs; protect the natural beauty of the landscape; encourage preservation and more efficient use of open space; offer an opportunity for design flexibility; and encourage innovations which may result in improved relationships between uses of different types and between land uses and transportation facilities.*

“P-C”

#### Planned Commercial District

*Retail shopping and personal service facilities of integrated design in appropriate locations to serve residential neighborhoods, developed as a unit according to an approved plan, adaptable to shopping centers of various sizes, as well as development of general business properties where the use of shared parking and access.*

“P-I”

#### Planned Industrial District

*Establish an industrial environment for certain types of manufacturing, business or industrial uses which are compatible with any adjacent land use by performance, appearance, and general operating characteristics. Regulations are designed so that all operations and activities, specifically including but not limited to, the storage of materials of all kinds are conducted within a building or appropriately screened.*

“SRR”

#### Special Residential Revitalization District

*Developments approved, shall be designed to eliminate potential use conflicts through creative design methods, to allow mixing residential environments with workplaces and services and must accommodate transportation systems, surrounding environments and pedestrian movements.*

“R-MU”

#### Residential Mixed Use District

*Neighborhood-serving residential and commercial land uses, that provide service to a neighborhood with uses compatible with the residential areas that the uses serve, and to allow flexibility and encourage more creative, efficient and aesthetically desirable design and placement of land uses.*

“G-MU”

#### General Mixed Use District

*Large-scale developments that are able to function as individual neighborhoods, as small-scale developments requiring flexibility because of unique design characteristics, or as transitional areas between dissimilar land uses.*

“I-MU”

#### Industrial Mixed Use District

*Commercial and industrial land uses with good access and high visibility that are designed to create compatibility between diverse uses and adjacent zoning districts.*

“NOS”

Natural Open Space District

*Preserve and protect natural features of the mountain and hillside, arroyo, and desert flatland areas. Shall remain undeveloped, except allowed and in accordance with an approved detailed site plan and any approved special permit.*

“URD”

Urban Reserve District

*Area that has development value with open space opportunities, preserving the land for sustainable transit served, form based code development and redevelopment when such land becomes necessary to serve growth in the region. May have instinctive value as open space and may contain such features as scenic corridors, view sheds, arroyos, steep slopes, or protected habitat that should remain in its natural state once development occurs.*
